

HPC and AI in Germany | Resources and Support

State-Level Networks

Handle small to medium-sized resource requirements with support contacts on the state level

HLRN
Locations Berlin, Göttingen,
Federal states Berlin, State of Brandenburg, Bremen, Hamburg, Mecklenburg-Western Pomerania, Lower Saxony, Schleswig-Holstein

Info: Contact:

HPC.NRW
Locations Aachen, Cologne, Bielefeld, Bochum, Bonn, Dortmund, Düsseldorf, Duisburg-Essen, Jülich, Münster, Paderborn, Siegen, Wuppertal
Federal state North Rhine-Westphalia

Info: Contact:

HKHLR
Locations Darmstadt, Giessen, Kassel, Marburg
Federal state Hesse

Info: Contact:

KONWIHR
Locations Garching, Erlangen
Federal state Bavaria

Info: Contact:

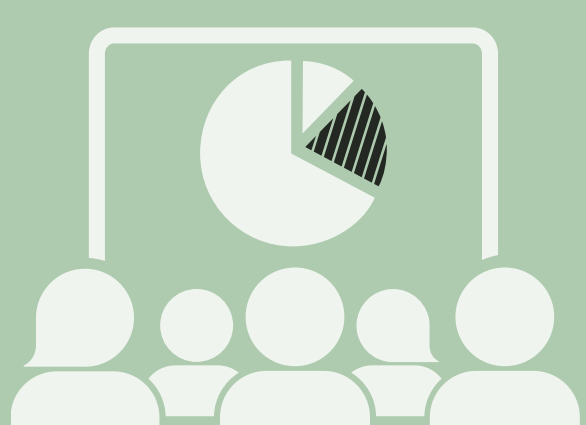

bwHPC
Locations Freiburg, Heidelberg, Karlsruhe, Esslingen, Tübingen, Ulm, Mannheim, Hohenheim, Konstanz, Stuttgart
Federal state Baden-Württemberg

Info: Contact:

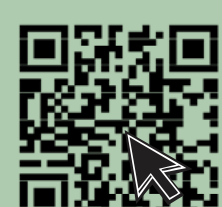

IT-Zentrum der Thüringer Hochschulen
Locations Jena, Ilmenau
Federal state Thuringia

Info: Contact:

HPC & AI Trainings

Check for a training near you!

AI Service Centers

Handle resource requirements and provide support specific for AI workloads on the national level

Hessian Center for AI
Locations Darmstadt

Info: Contact:

AI Service Center Berlin Brandenburg
Locations Potsdam

Info: Contact:

KISSKI
Locations Göttingen, Kassel, Hannover

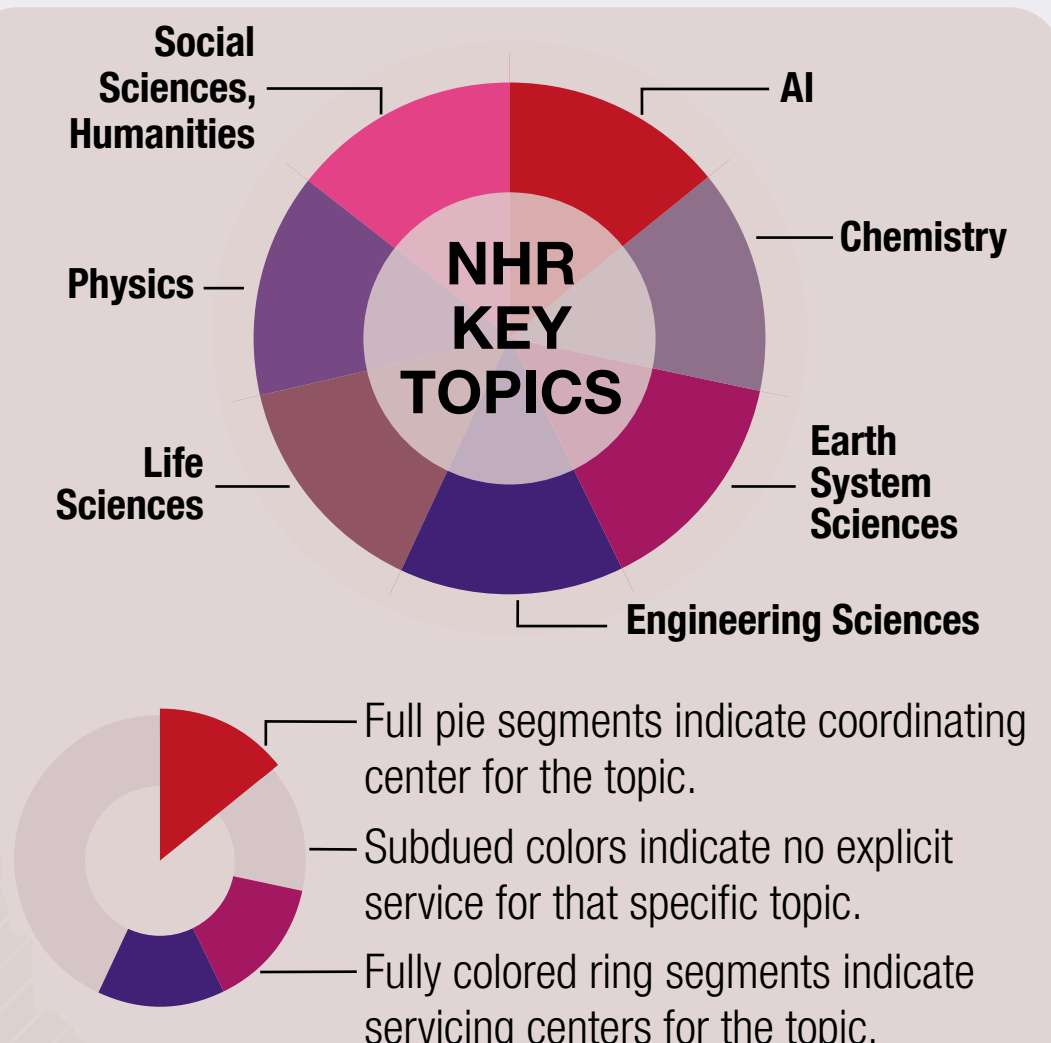

Info: Contact:

WestAI
Locations Bonn, Jülich, Aachen, Dortmund, Paderborn

Info: Contact:

NHR Centers

Handle medium to large resource requirements with support contacts for all of Germany focusing on specific domains

NHR4CES
Locations Aachen, Darmstadt

Info: Contact:

NHR@FAU
Locations Erlangen

Info: Contact:

NHR-Nord@Göttingen
Locations Göttingen

Info: Contact:

NHR@KIT
Locations Karlsruhe

Info: Contact:

NHR@Süd-West
Locations Frankfurt, Kaiserslautern, Mainz, Saarbrücken

Info: Contact:

NHR@TUD
Locations Dresden

Info: Contact:

NHR@ZIB
Locations Berlin

Info: Contact:

PC2
Locations Paderborn

Info: Contact:

Research Associations

Handles largest resource requirements on the national and international level for AI and HPC workloads

Gauss Centre for Supercomputing
Locations Garching, Jülich, Stuttgart

Info: Contact:

Max Planck Computing and Data Facility
Locations Munich

Info: Contact:

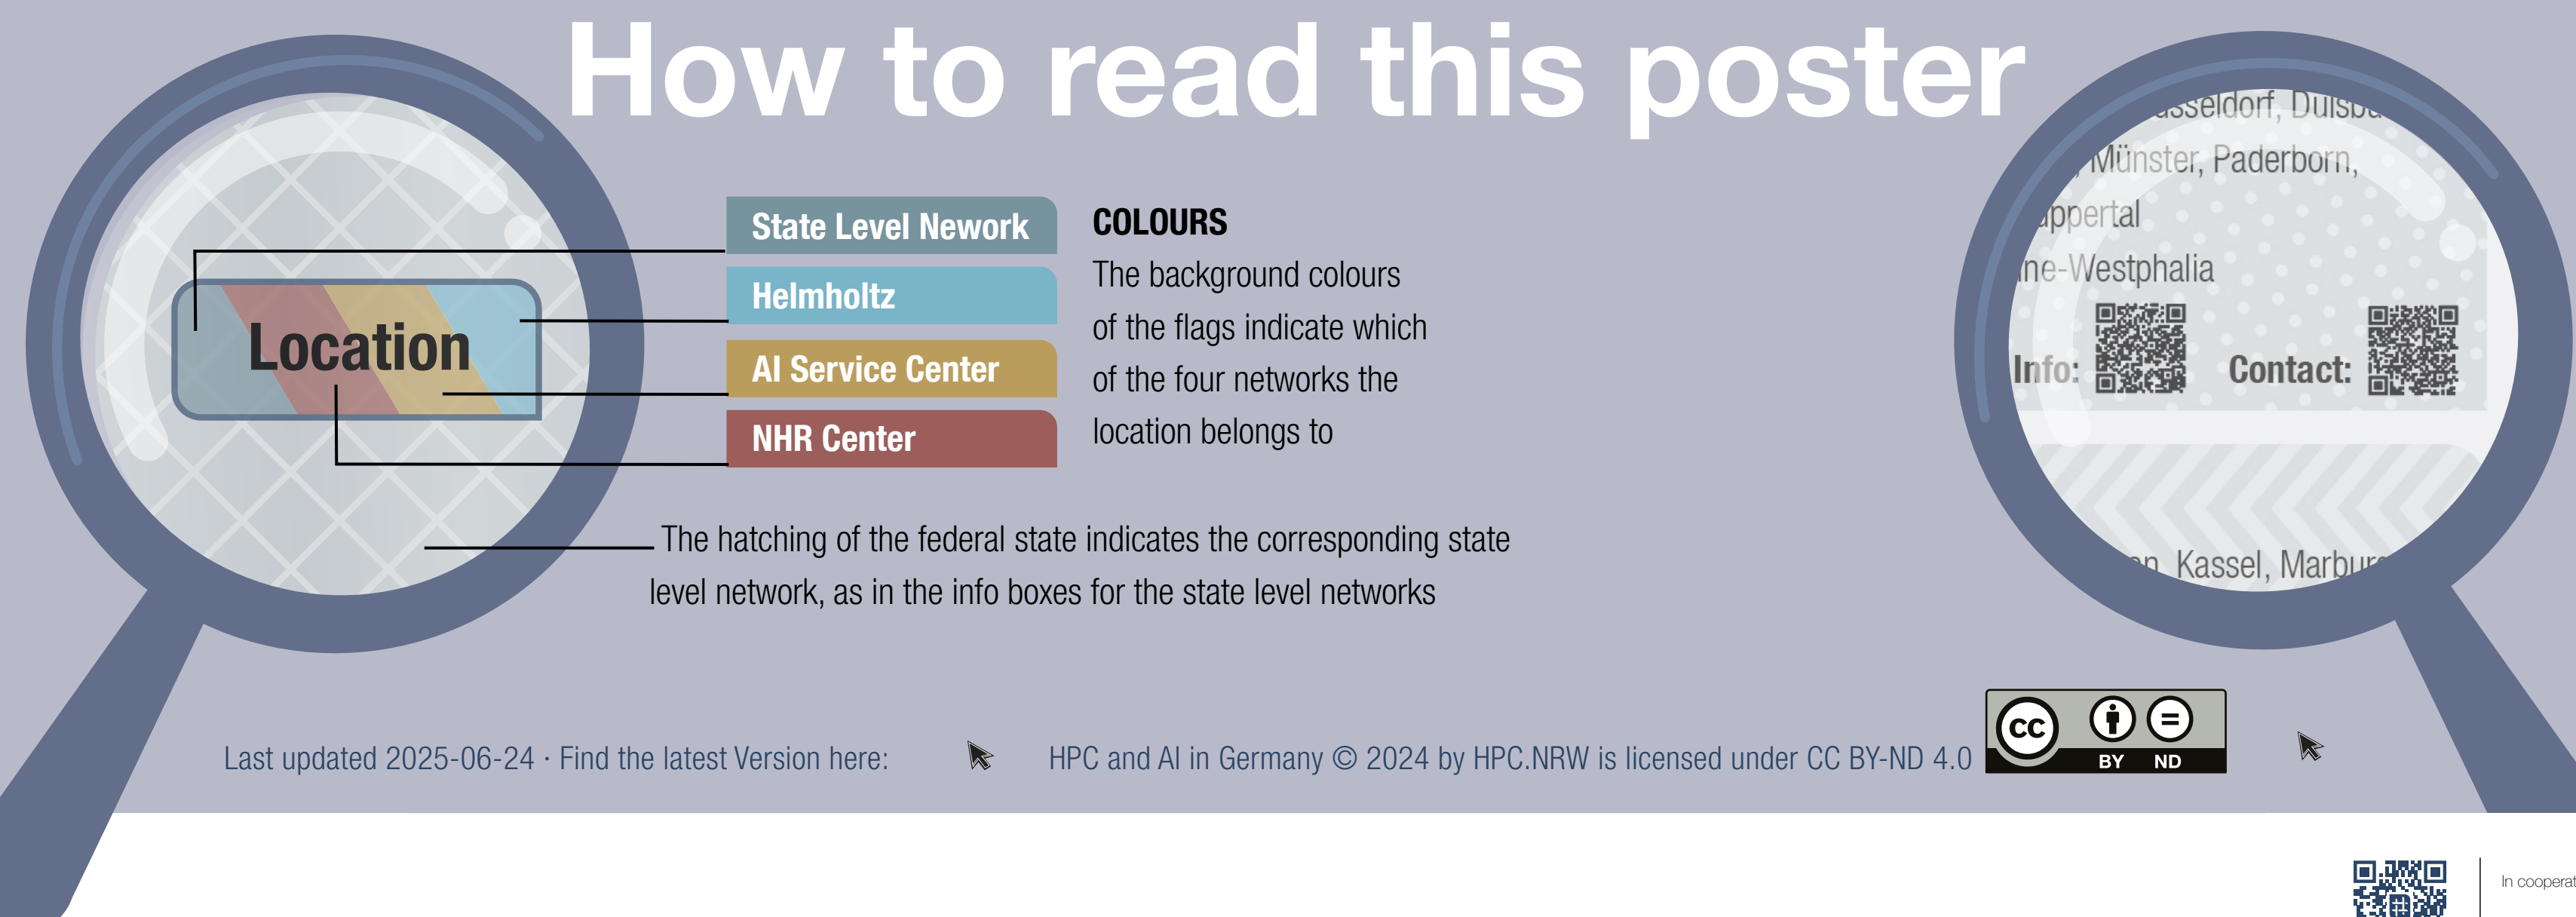

Helmholtz AI
Locations Geesthacht, Jülich, Cologne, Dresden, Karlsruhe, Munich

Info: Contact:

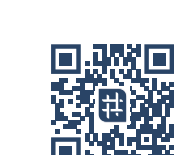

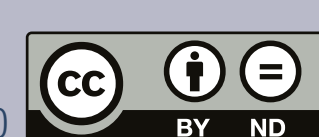

German Climate Computing Center
Locations Hamburg

Info: Contact:
